EXPERIENCE

INTERN SITE ENGINEER, Lagos, Lagos

Lagos ministry of works and housing., January 2023–August 2024

- I am a dedicated and result-oriented Civil Engineering graduate with a Bachelor's degree in Civil Engineering and hands-on experience in construction, road maintenance, and data analysis. Through my Industrial Training with the Ministry of Road and Construction, Lagos State, I actively contributed to the construction and maintenance of the Lagos–Ibadan Expressway, where I gained practical exposure in road construction processes, material testing, site documentation, and compliance with safety regulations.
- My experience has strengthened my ability to analyze and document test results, manage on-site operations, and ensure quality standards are met. In addition, I have developed strong leadership, communication, and problem-solving skills, with a solid foundation in surveying, project supervision, and effective collaboration within multidisciplinary teams.
- I am eager to leverage my technical expertise, analytical skills, and field experience to support innovative construction solutions and contribute to the successful execution of projects in your organization.

EDUCATION

BACHELOR OF SCIENCE (B.S.) IN CIVIL ENGINEERING, ogun state

Olabisi Onabanjo University. , October 2024
